A Letter from the Owners

Our Family, would like to thank you for taking the time to consider us. We are a small family owned and operated business. We consider all our guests extended family. We believe this philosophy guides our approach and every aspect of our service to you.

Remote Boat-In Operation

We offer a boat-in operation (about 45 minutes). Boat-in's can offer the same remote experience as a fly-in with some definite advantages. There are no pesky weight limits, so you don't have to leave half your gear on the dock. Boat Ins are a better bargain because we don't have to pay for the expense and overhead of an airplane so neither do you.

Our Location

Bear Lake Wilderness Camp has a great location in Killarney Provincial Park, just two ridges over from the La Cloche Mountains. We offer a beautiful and remote location on a private island in an area with fantastic fishing and little fishing pressure.

Fish, Fish & more Fish!

We have Lake Trout, Northern Pike, Largemouth Bass, Smallmouth Bass, Whitefish, Walleye, and Jumbo Perch.

The Accommodations

Though we are remote, we offer nice cottage with refrigerators, stoves, lights and sinks with running water. Our cottages are also equipped with all the pots, pans, and utensils you would need. So you can play hard all day in this remote setting without leaving all the comforts of home.

Boats & Motors

Each two paying customers get use of a new 16-foot Lund Boat and Honda 4 stroke outboard motor. We pay for all the gas. We also have a fleet of portage boats and canoes on 20 surrounding lakes that are at your disposal.

Kids under 14 are just \$150!

So Children under 14 (when accompanied by a paying adult) are just \$150

In closing ...

We would love to set up a fishing or wilderness adventure trip for you and your family or friends. Call or email us if you have any questions or need more brochures or information.

Remote Lake Heaven

One of the best things about Bear Lake Wilderness Camp is fishing the portage lakes that surround Bear Lake. Nestled next to Killarney Provincial Park, and the LaCloche Mountains, Bear Lake Wilderness Camp provides beautiful scenery.

Picture walking through the pristine wilderness enroute to a lake where fishing pressure is slight. Imagine fishing a lake with no one else in sight.

We have boats on over 25 of these lakes. You just carry a small 2hp motor (we rent these at the lodge) and your fishing tackle to the next lake. Attach the motor, and away you go!

Fishing the back lakes combines fantastic fishing with beautiful scenery. It is not unusual for our guests to pull in some trophy size fish on these lakes while enjoying the sights and sounds of the forests.

Fishing License Information

There are two types of fishing licenses in Ontario. There is the Sportsmens (S) License and the Conservation (C) License. Conservation Licenses promote the environment with smaller catch limits and rewards the angler with a lower price tag. A child, under 18, can fish without a license but their fish counts against the parent's limit.

2009 Non Resident Fishing Licenses
(S) Sport Fishing License \$43.50 CAD @ \$35 USD which is good for 8 days.
(C) Conservation License \$25.25 CAD @ \$20 USD which is good for 8 days.
