

Important Items – Please Read!!!!

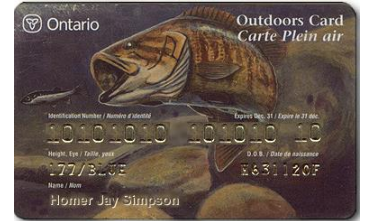

Passport

All US Citizens need to provide proof of citizenship. This can take the form of a passport or passport card to reenter the US. There are differences between the card and passport. More Information is available at www.getyouhome.gov

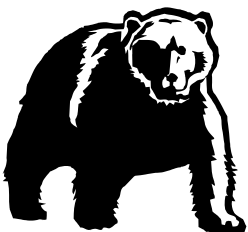

Non-Residents now have to buy an outdoor card before buying their hunting and/or fishing licenses. The Outdoor Card is \$ 9 CAD and good for 3 years. You purchase these cards where and when you buy your licenses. You can read more about the card on the website. Under More Information

Outdoor Card

Credit Cards –. If you plan on making purchases in Canada with your credit card, make sure your bank knows. Sometimes they will shut down your card as a safety measure if they see International Charges. Remember we don't take credit cards and will settle your remaining balance in cash at the camp.

Boaters Safety Cards –. Ontario requires proof of competency to operate a boat. This means you need either an Operator Card from Ontario or a card from your home state. We will provide you with a class that will satisfy this requirement if you don't have one. This means that you will have to receive a briefing and checkout with us before getting your boat

Bear Hunters–. Ontario requires that you have a copy of a hunters license from your home state to issue a Bear Tag. You must stop at Burk's Shell Station in Massey to get your Outdoor Card and Tags. Remember to bring Hunters Orange with you.
